Sui, put out your hands

This is called a key, and it's needed to get inside your home
So without this, someone else can't just come into our home
It's sort of a symbol of family, I suppose

We'll be there in about 15 minutes or so
Hey, it's me
We're taking a break now
Beep
Hang on a minute
That key is just for you, Sui, so don't lose it
Ring Ring

Stretch
Don't send it into the pond this time
Hey, you plunked it into the pond, too
Let's do it over there
Clank
Eh?
You'll give it to me?
That'll help me out

You'll get your feet dirty
So what?
It feels nicer this way

Look at that!
That lady's super fast!

Have you seen a girl with two buns in her hair?
Hey, you guys
We saw her
Rustle
Ah.

What's wrong?

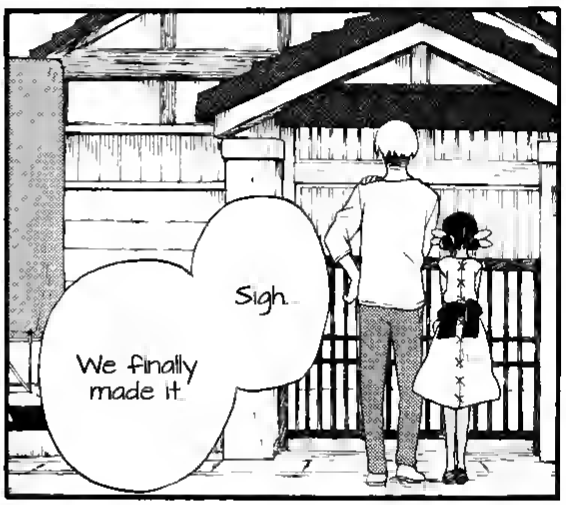
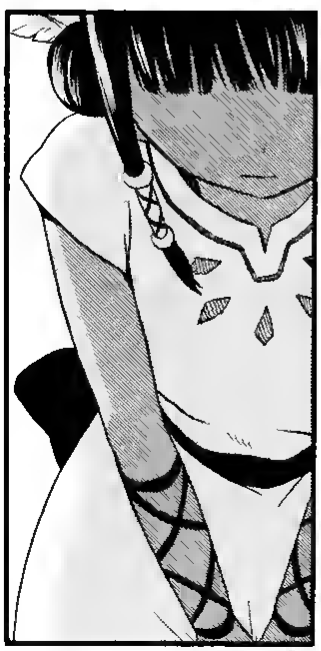
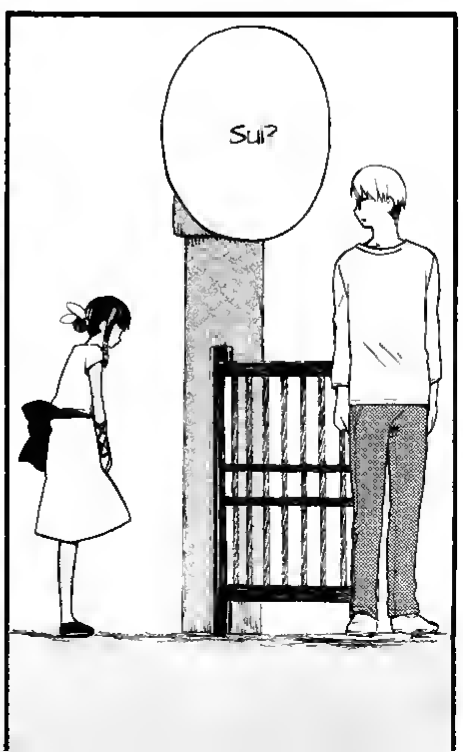
But it'll get tough again soon
For now, let's move the luggage inside



Sigh...
We finally made it.



What's wrong?
Why don't you come in?

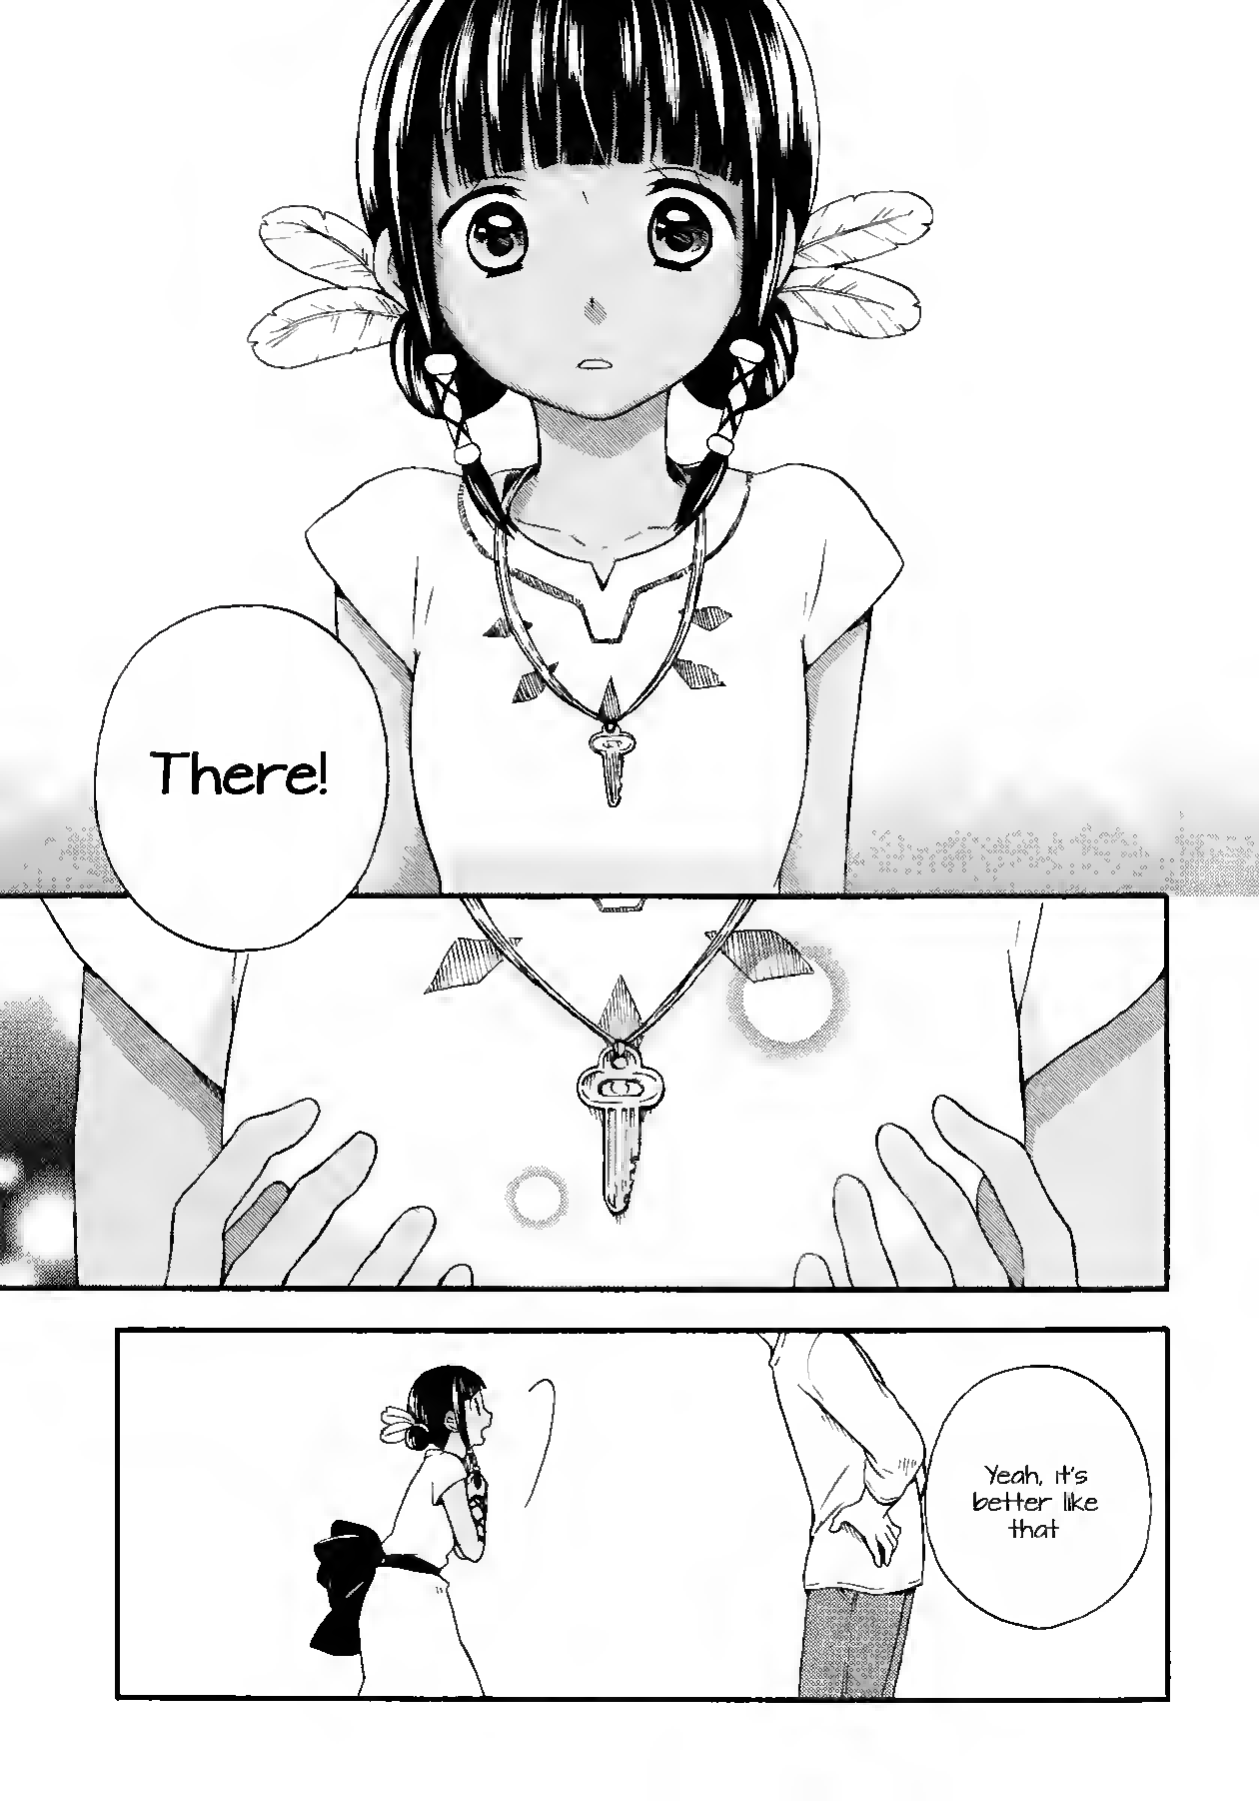


Sui?

Have you decided you don't want to live here?

Shake
Shake
Shake
Ah
I get it, I get it

Then, I'm glad I made it, after all.



There!
Yeah, it's better like that

I saw you left it on the bench.
So I thought attaching something to it would make it easier to find if you lost it
I tried putting a string on it so you could put it around your neck
That way you won't have to worry about dropping
Sui?

Bow
Bow
Bow
Eh?!
No, I only put a string on it!
And that's from a bento
I'll put a normal one on later
Once again...
Welcome

Now then, let's hurry and get the luggage inside

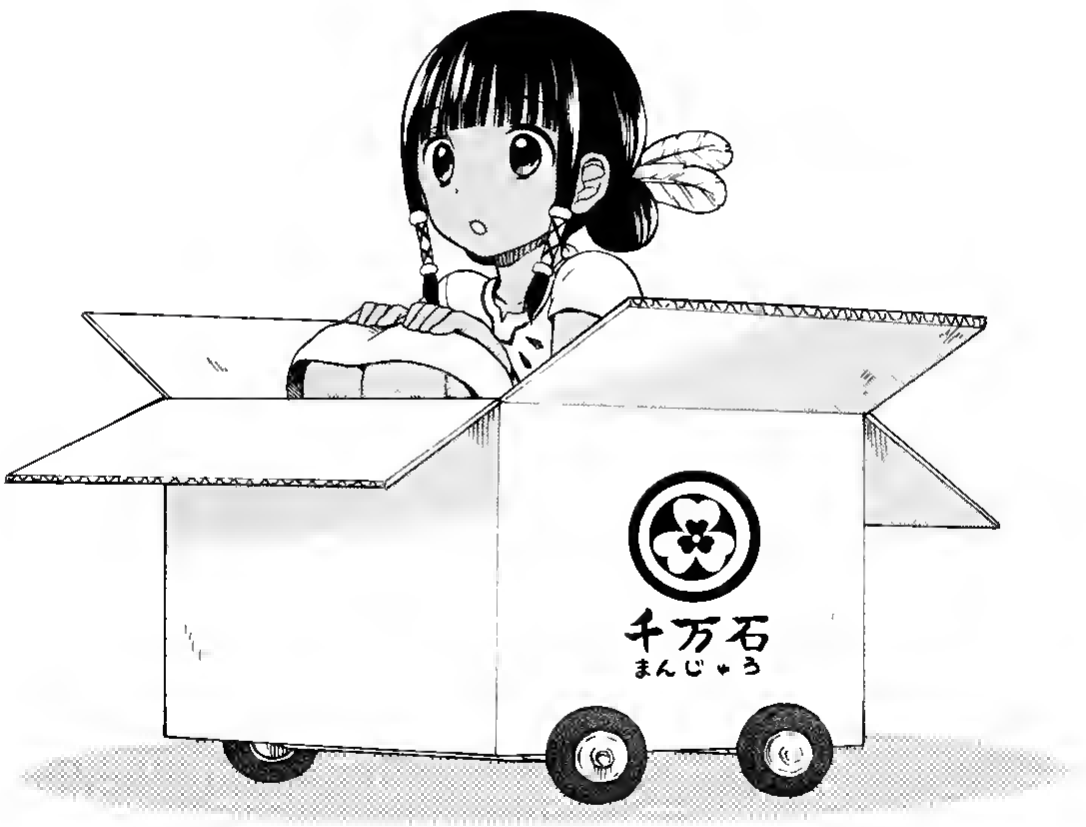
The Room, The Patterned Shirt, And Me



Hm?
He said he'd be here by evening.
The number you have called is either not in service range or is powered off.
And with just the two of us it will be difficult to move the large things
If a person with black hair and strange clothes comes, let them in.
Oh, if I miss him.
Sui, I'm gonna go take a look, so could you watch the house?

Nod

It's our house

Keeping it closed or leaving it open is a bit difficult to decide
But I want to be by your side if there are times you are worried and can't sleep
So I may want to shut the door sometimes
Honestly, well... there are some times I'd like to be alone

If there's something you're thinking, don't hold it in
Go ahead and say it
Let's make the Tada household together

So when the time comes, let's talk about it, okay?
